NEW HAMPTON, NH (August 12, 2016) – Live Free Home Health Care is pleased to announce that they have received the Certified – Trusted Provider distinction from Home Care Pulse. This distinction illustrates Live Free Home Health Care’s commitment to client satisfaction.

“We want to commend Live Free Home Health Care for receiving the Certified – Trusted Provider distinction,” says Aaron Marcum, Founder & Chief Executive Officer of Home Care Pulse. “Home Care Pulse awards this distinction to providers who are actively gathering feedback from their clients each month and using that feedback to improve the quality of care they provide.
